

Group Ideas

Use this section to group your ideas into clusters of related topics. You can use an empty space to add your own ideas, or you can use a sentence to add a new idea. The ideas are organized into groups by color and by topic. You can also use the 'Group' button to create a new group.

Prioritize

Your team should discuss the ideas on the same page about which are most important. Moving them around, place your ideas on the grid to determine which ideas are important and which are less so.
